INDEPENDENT AUDITORS' REPORT

Board of Directors
Batey Relief Alliance, Inc.
Brooklyn, New York

We have audited the accompanying statement of financial position of Batey Relief Alliance, Inc. ("BRA") (a non-profit organization) as of December 31, 2010 and the related statements of activities, functional expenses, and cash flows for the year ended December 31, 2010. These financial statements are the responsibility of BRA's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of BRA as of December 31, 2010, and the changes in net assets and its cash flows for the year ended December 31, 2010 in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated September 27, 2011, on our consideration of BRA's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of this report is to describe the scope of our testing of internal control over financial reporting and compliance, and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

Cash, beginning of year	<u>976,396</u>
CASH, END OF YEAR	<u>\$ 383,750</u>

See accompanying notes.

BATEY RELIEF ALLIANCE, INC.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 NATURE OF ACTIVITIES

Batey Relief Alliance, Inc.'s ("BRA") mission is to work collaboratively to create a productive and self-sufficient environment through humanitarian health and development programs for children and their families severely affected by extreme poverty, disease and hunger in the Caribbean.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

BRA uses the accrual method of accounting for recording assets and liabilities and recognizing income and expenses.

Basis of Presentation

Financial statement presentation follows the recommendations of generally accepted accounting principles (GAAP). Under GAAP, BRA is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. There were no restricted assets as of December 31, 2010.

Cash and Cash Equivalents

Items treated as cash and cash equivalents are those funds that are held in checking, savings and money market accounts.

Fixed Assets

Purchased fixed assets are recorded at historical costs. BRA does not have a written capitalization policy to date. Maintenance and repair costs are expensed as incurred; major renewals or betterments which extended the lives or increase the value of the assets are capitalized.

Income Taxes

BRA is a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code and as such is not subject to Federal income tax and has no activities that would generate unrelated business income.

BRA reviews the components of revenues, gains, and other support and analyzes whether the position that BRA takes with regard to a particular item of income would meet the definition of an uncertain tax position under GAAP.

BRA files Federal Form 990 (return of organizations exempt from income tax) and New York State Form CHAR 500 (annual filing for charitable organizations). The tax years that remain subject to examination by taxing authorities are generally the previous three years.

BATEY RELIEF ALLIANCE, INC.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Cont'd.)

Restricted and Unrestricted Revenue and Support

In accordance with GAAP, contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of any donor restrictions. Support that is restricted by the donor is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Functional Allocation of Expenses

The cost of providing BRA's programs has been summarized on a functional basis in the statement of functional expenses. Expenses that can be identified with a specific program and/or support services are allocated directly according to their natural expense classification.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Events Occurring After Reporting Date

BRA has evaluated subsequent events through September 27, 2011, which is the date the financial statements were available to be issued.

NOTE 3 PREPAID EXPENSES

Prepaid expenses consisted of January 2011 salary for the Executive Director.

NOTE 4 PROPERTY AND EQUIPMENT

Property and equipment at December 31, 2010 consisted of:

Vehicles	\$ 15,320
Mobile clinic	82,854
Office equipment	17,374
Office furniture	<u>13,291</u>
	128,839
Less: Accumulated depreciation	<u>(27,706)</u>
Property and equipment, net	<u>\$ 101,133</u>

Depreciation charged to expenses in 2010 was \$21,052.

BATEY RELIEF ALLIANCE, INC.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 5 ACCRUED EXPENSE

Accrued expense consisted of professional fees for services performed in 2008.

NOTE 6 FINANCIAL INSTRUMENTS WITH CONCENTRATIONS OF CREDIT RISK

Cash

BRA maintains its cash accounts with a single financial institution. Total cash balances are insured by the Federal Deposit Insurance Corporation (FDIC) for interest-bearing accounts up to \$250,000 as of December 31, 2010. All funds in non-interest bearing transaction accounts are insured in full by FDIC from December 31, 2010 through December 31, 2012. This temporary unlimited coverage is in addition to, and separate from the above stated. At December 31, 2010 there were no uninsured balances.

NOTE 7 PRIOR PERIOD ADJUSTMENT

Beginning net assets were decreased by \$4,040 to correct an error in a prior period. Originally an amount had been recorded as a loan to the CEO in a prior year, this amount should have been expensed when initially paid. The correction of this error has eliminated the loan receivable and decreased beginning net assets.
