## INDEPENDENT AUDITORS' REPORT

Board of Directors  
Batey Relief Alliance, Inc.  
Brooklyn, New York

We have audited the accompanying financial statements of Batey Relief Alliance, Inc. ("BRA") (a non-profit organization), which comprise the statement of financial position as of December 31, 2014, and the related statement of activities and changes in net assets, statement of functional expenses and statement of cash flows for the year then ended, and the related notes to the financial statements.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. generally accepted accounting principles (U.S. GAAP); this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to BRA's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of BRA's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of BRA as of December 31, 2014, and the changes in its net assets and its cash flows for the year then ended in accordance with U.S. GAAP.

## **Report on Summarized Comparative Information**

We have previously audited the BRA's 2013 financial statements, and our report dated May 13, 2014, expressed an unmodified opinion on those audited financial statements. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2013, is consistent, in all material respects, with the audited financial statements from which it has been derived.

NOTES TO THE FINANCIAL STATEMENTS

---

NOTE 1 NATURE OF ACTIVITIES

Batey Relief Alliance, Inc.'s ("BRA") mission is to work collaboratively to create a productive and self-sufficient environment through humanitarian health and development programs for children and their families severely affected by extreme poverty, disease and hunger in Latin America and the Caribbean.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

BRA uses the accrual method of accounting for recording assets and liabilities and recognizing income and expenses.

Basis of Presentation

Financial statement presentation follows the recommendations of U.S. generally accepted accounting principles (U.S. GAAP). Under U.S. GAAP, BRA is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. There were no restricted assets at December 31, 2014 and 2013.

Cash and Cash Equivalents

Items treated as cash and cash equivalents for purposes of the cash flow statement are those funds that are held in checking, savings and money market accounts.

Property and Equipment

Purchased fixed assets are recorded at historical costs. Maintenance and repair costs are expensed as incurred; major renewals or betterments which extended the lives or increase the value of the assets are capitalized.

Income Taxes

BRA is a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code and as such is not subject to Federal income tax and has no activities that would generate unrelated business income.

BRA reviews the components of revenues, gains, and other support and analyzes whether the position that BRA takes with regard to a particular item of income would meet the definition of an uncertain tax position under U.S. GAAP.

BRA files income tax returns in the U.S. Federal and New York State jurisdictions. The tax years that remain subject to examination by taxing authorities are generally the previous three years.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Cont'd.)

Donated Services

Donated services are recognized as contributions in accordance with U.S. GAAP, if these services (a) create or enhance nonfinancial assets or (b) require specialized skills, and are performed by people with those skills, and would otherwise be purchased. BRA volunteers also provide services throughout the year that are not recognized as contributions in the financial statements since the criteria for U.S. GAAP recognition are not met.

Restricted and Unrestricted Revenue and Support

In accordance with U.S. GAAP, contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of any donor restrictions. Support that is restricted by the donor is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities and changes in net assets as net assets released from restrictions.

Functional Allocation of Expenses

The cost of providing BRA's programs has been summarized on a functional basis in the statement of functional expenses. Expenses that can be identified with a specific program and/or support services are allocated directly according to their natural expense classification.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Comparative Totals

The amounts shown for the year ended December 31, 2013 in the accompanying statement of activities and changes in net assets and the statement of functional expenses are included to provide a basis for comparison with 2014 and present summarized totals only. Accordingly, the 2013 totals are not intended to present all information necessary for a fair presentation in conformity with GAAP.

Events Occurring After Reporting Date

BRA has evaluated subsequent events through April 10, 2015, which is the date the financial statements were available to be issued.
