GRANT RESEARCH ASSOCIATE
INTERNSHIP/VOLUNTEER NOTICE

Organization

Founded in 1997, the Batey Relief Alliance, Inc. (BRA) is a tax-exempt, non-profit, humanitarian aid organization committed to addressing socio-economic and health needs of children and their families severely affected by poverty, disease and hunger in the United States, Latin America and the Caribbean (Peru, Haiti and the Dominican Republic). BRA is a member of the Clinton Global Initiative (CGI) and Global Health Council (GHC); and holds Special Consultative Status with the United Nations Economic and Social Council (ECOSOC) and NGO-Department of Public Information (DPI).

BRA operates comprehensive health care facilities and delivers attention and treatment in HIV and AIDS; and runs programs in food security and agricultural/cooperative development, maternal-child health, women empowerment and microcredit, water and sanitations, preventive health education, child's nutritional health and deworming, and disaster relief. For more information, visit BRA's website at www.bateyrelief.org.

Assignment

BRA seeks three (3) highly motivated, disciplined and creative candidates to perform grant research on foundations, faith-based organizations, international aid groups, international agencies and the US government to fund the organization's following programs:

- Food Security: agricultural development (Dominican Republic)
- Health: primary health care delivery (Dominican Republic)
- Health: HIV/AIDS education, prevention and treatment (New York, Dominican Republic)
- Health: Maternal-child health (Dominican Republic, Haiti, Peru)

- Women Empowerment: skills training, microcredit and small business enterprises (Haiti)
- Disaster: preparedness and relief (Haiti, Dominican Republic)

Duration: One semester minimum

Work schedule: Flexible and home-based work is acceptable

Qualifications and skills

- College undergrad
- Fluent in English
- Excellent background in grant research for non-profit/NGO organizations working in the Caribbean and Latin American regions
- Excellent speaking and writing, internet and computer skills
- Creativity and ability to work independently

Application requirements: Interested candidates must submit via email: 1) resume/CV, and 2) one-page personal statement describing candidate's interest in the position and relevant experience.

Compensation: The position is non-paid. However, interns may receive school credits if all the proper forms are submitted to the Dean of students.
